

# IQRA Academy Newsletter February 2018

## Foundation Stage

**Nursery:** Our topic has been Peace at Last. We have enjoyed learning about different sounds and going on our 'sound walks'.

Through our mini bus trips we have visited many places including the Media Museum and Yeadon Tarn. Umar says: "We went to Yeadon Tarn and we saw two aeroplanes!"

We have also been learning about Chinese New Year and trying different Chinese foods. Aleeyah said "I liked eating prawn crackers because they were tasty."

**Reception:** We have enjoyed our mini bus trips, especially our visit to the Media Museum. Mairah liked the Wonderlab "it was awesome!" Abdul-Wahab said "I liked playing the Mario game."

Next term we will be making pancakes for Shrove Tuesday and have a special Mother's Day assembly planned. Further information regarding the Mother's Day assembly will follow.

We are pleased to say that we have had many comments from members of the public saying how well behaved our pupils are whilst out on mini bus trips. Well done children and thank you to our parents.

## Year 1

Our favourite author this term is Julia Donaldson. We enjoyed writing stories linking to Julia's book Superworm. "Hip hip hooray for superworm! My favourite lesson is English. I like to write stories and watch stories on the whiteboard." – Sara.

Miss Austick is extremely proud of how hard all of Year 1 are working on their adding and subtraction. Keep up the good work.

## Year 2

We have been learning about the Great Fire of London. Mrs Sitti would like to thank all the parents for helping their children make amazing model houses as part of their homework. Next term we will be making fire engines!

In Maths we enjoyed making pizzas whilst learning all about fractions.

Message from Mrs Gilpin "thank you for attending the Year 2 SATs meetings, I hope you found the sessions helpful. We appreciate your support"
