

Dear Parent/Carer,

Please help your child to read at home.

Here at Iqra we have a passion for reading and in Year 1 your child will learn the 44 sounds they need to become confident readers.

Each week your child will come home with a new reading book for them to read to you at home. We will already have introduced your child to the book and they need to read it daily to build up speed and fluency.

Please record each time you listen to your child read in their reading record.

Your child will also bring home a library book for you to enjoy together. This is a wonderful opportunity for you to read to your child(ren) and through sharing and asking questions about the book, your child will expand their vocabulary and gain a deeper understanding about the story.

Please find below some useful links and videos you can access online to help your child excel at reading.

Please do not hesitate to speak to myself or your child's class teacher if you have any more questions.

Mrs Moore

Year 1 Teacher and Head of Year
