

## **IMPORTANT Year 6 information – Hanson School Open Evening**

Dear Parent/Carer,

Regrettably, due to Covid-19 restrictions we are unable to host our traditional Year 6 Open Evening.

Instead, we will be delivering this online through our website and this will be available from **4pm on Wednesday 30<sup>th</sup> September.**

Here, you will be able to view lots of useful information about the school that will help you make your decisions when completing your applications for secondary school. This will include:

- A message from the Headteacher, Mr Woods
- Messages from the Director of KS3, Miss Akhtar, and a Year 7 tutor
- Virtual tour of the school
- Listen to the experiences of some of our current students
- Explore what each subject has to offer

These videos will remain available to view after this date.

We hope you find the information useful and informative and we wish all Year 6 students the best of luck for the year ahead.
