

Nursery Newsletter October 2021

Welcome to Nursery!

Class teachers: Mrs Dodsworth (Head of Year).

Settling in

First and foremost, I want to express how wonderful it is to work with such brilliant, energetic, and all-round amazing children. Every smile, every laugh, every interaction with your children these last weeks has been a gift- a reminder of just how lucky we are to teach them.

Topics this Half Term

Outdoor play has been the children's greatest source of enjoyment and it is always good to be learning outside during the lovely sunny days we have had.

As we moved into Autumn and colder weather, please ensure that your child brings their coat every day and can put it on and fasten it by themselves.

We have also been enjoying learning about the colour monster and owl babies as part of our "Marvellous me!" topic. In maths we have begun shape pattern and number work already and we have started our daily phonic session too.

Important Information

PE Days

Children have also been taking part in mini-PE lessons on Friday. Both the children and Mr Freeman have been learning some new dance moves and it has been a great source of fun and excitement.

Support at home

Over the coming weeks we will continue to communicate the work that children need to be doing at home on seesaw. So please make sure that you have your child's account set up and we will upload homework every Friday. Mr Freeman is always ready to help with any technical aspects you may have.

Many of you have already logged on and produced some lovely work. Please keep adding pictures of what the children do at home each week and we love to see videos of them too. Please bare in mind you can only upload very short videos of no more than 15 seconds.

Attendance and Punctuality

Attendance is central to your child's academic achievement and personal development. If your child is not in school, they cannot take advantage of the excellent opportunities that are available each day.

A big shout to all Nursery pupils

Well done to all the children who have shown outstanding resilience in the way they have tackled their first full weeks at Nursery. They are settled and happy at nursery with new friends and ready to learn.
